A. Comprehensive Plan Review Workshop

Clare explained that she had reviewed the City's current Comprehensive Plan and stated that it was now 6 years in the making and needed to be updated. She handed the attached overview of proposed topics that need to be updated. She advised that several components within the Plan lacked the required analysis and that the graphics and maps could be improved for better readability and the general and specific information needed to be updated to reflect changes in the past six years.

No action was taken or decisions were made during the workshop.

Meeting adjourned at 7:30 p.m.
