Staff Present: Deputy City Clerk, Manda Corbett; Samuel Stringer, Ruen Yeager and Associates Planning and Zoning

Others Present from the Sign-In Sheet: Julie Washburn

- A. **New City Hall Workshop – Discussion only:** In discussion, Council agreed there needs to be a much clearer vision and a larger building overall. Council advised Mayor to get more information from the current contractor with a rough estimate which includes clear architect plans and the suggested changes/add on items they would like to see. It was clear that none of the current pictures presented matched and Council requested new plans that match with measurements of each room and full details. Council also requested an emergency fire plan and the requirements for fire retention. Another workshop will be scheduled at a further date when more questions are answered in which the architect will be invited to explain the plan to Council.

Mayor Lewis adjourned the workshop at 7:20 p.m.
